

# LED STREET LAMP

## STREET LAMP

LED street lights are the latest public lighting solutions. Both the entry level COB versions and the professional SMD modular models are alternatives to conventional light sources because of their energy saving factor and light output. Due to their 50,000-hour lifespan their cost recovery is outstanding.

EAN	product code	color temp.	lumen/W	watt	outer size	pcs/#
5999562280713	ASLCNW-30W	4000K	90lm	30W	400×172×60mm	1
5999562280737	ASLCNW-50W	4000K	90lm	50W	500×214×81mm	1

- 100-240V
- A+ energy class
- 50.000h
- 130°
- non-dimmable
- 0sec instant full light

## MODULAR
